UNITED STATES PATENT OFFICE

153,196

DESIGN FOR A STREET LIGHTING STANDARD

Alva B. Winters, Golf, Ill., assignor to Revere
Electric Manufacturing Co., Chicago, Ill.

Application May 19, 1948, Serial No. 146,455

Term of patent 14 years

(Cl. D48—31)

To all whom it may concern:

Be it known that I, Alva B. Winters, a citizen of the United States of America, residing at Golf, in the county of Cook and State of Illinois, have invented a new, original, and ornamental Design for a Street Lighting Standard, of which the following is a specification, reference being had to the accompanying drawing, forming part thereof.

Figure 1 is a side elevation of a lighting standard, showing my new design.

Figure 2 is a side elevation at right to Figure 1.

The base and pedestal are of octagonal contour, as would be seen in cross section.

I claim:

The ornamental design for a street lighting standard, as shown and described.

ALVA B. WINTERS.
